STAR STUDENT

Chad Ladner

A good education is the first step in achieving a life of satisfaction. It leads the way to a future of unlimited possibilities.

STAR TEACHER

Ms. Betty Allen

My philosophy as an educator has been based on a quote from the 17th century French mathematician and philosopher, Rene DesCartes who said, "I think, therefore I am." My goal as a teacher has been to inspire and encourage students to think. When we stop thinking, we stop living and begin a dreary existence.

SENIOR FAREWELL

As we close this school year, we smile on the past twelve years ...

... the moments in chemistry, math, and English
... lunches when hurried plans were made for weekend
... tardy bells that caught us out of class
... cheering our Hawk teams to victory
... shared hopes and fears which united us as a unique and special class.

We, the class of 1994, will never be this way again. We will never walk through the doors of HHS to see our friends gathered by their lockers. We will make no more memories in the halls of Hancock. Yet, we will always have the memory of our friends' special smiles and the way we were in 1994.
1994 was our year- it was the best- and it was our last.

Song

When I am dead, my dearest,
 Sing no sad songs for me;
Plant thou no roses at my head,
 Nor shady cypress tree:
Be the green grass above me
 With showers and dewdrops wet;
And if thou wilt, remember,
 And if thou wilt, forget.

I shall not see the shadows,
 I shall not feel the rain;
I shall not hear the nightingale
 Sing on, as if in pain:
And dreaming through the twilight
 That doth not rise nor set,
Haply I may remember,
 And haply may forget.
